

Consent for Online Aphasia Groups and Programs

Some of MnCAN's groups and programs are **provided online**.

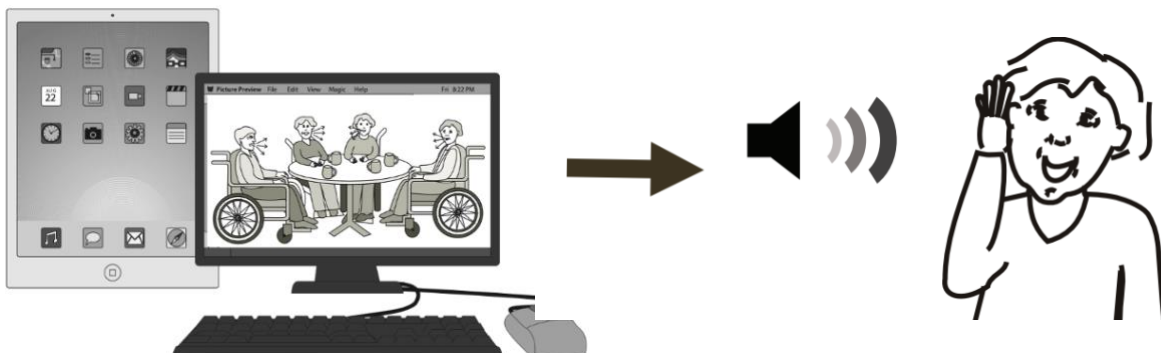

Some groups may be online sometimes and in-person sometimes (a hybrid).

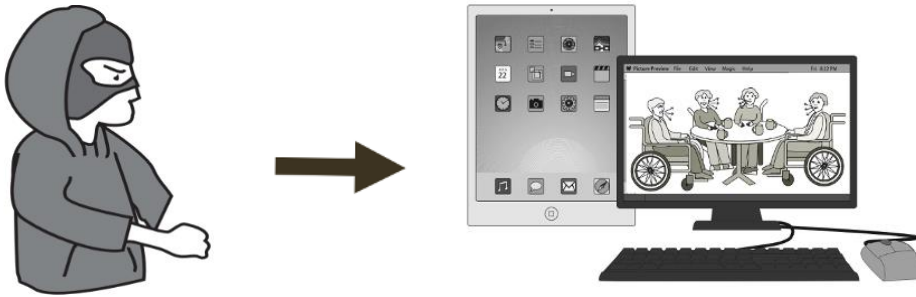

Potential Risks:

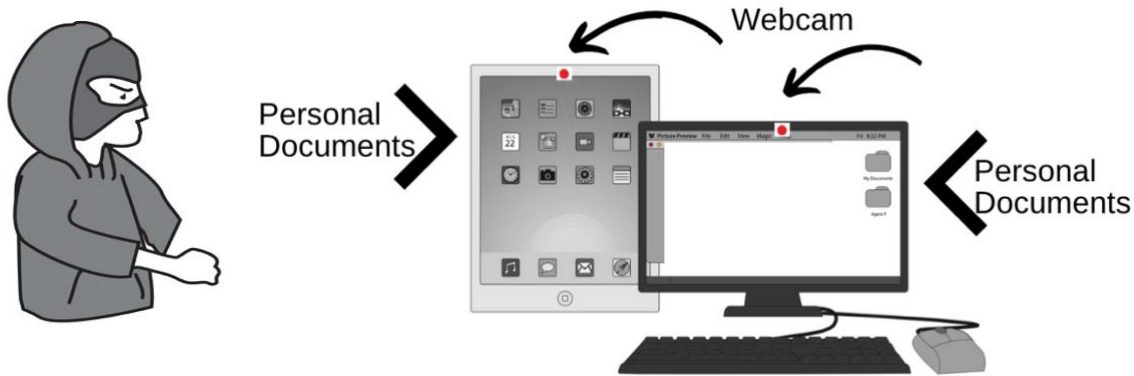

- risk of **other people hearing** the conversation

- risk of **someone interrupting** the conversation from outside the group

- risk of someone **accessing your computer** documents

Our groups/programs are connected to the **secure encrypted Zoom** platform.

I agree to participate in MnCAN's online aphasia group/programs as needed or scheduled.
